GOOGLE EARTH

1. Go to https://earth.google.com/
2. Click on the man icon until he is yellow
3. Drag and drop him anywhere in the world where you see a light blue colouring
4. You could skip steps 2 & 3 and hit the 'I'm feeling lucky' button instead
5. Find interesting places and screen shot them, saving them for later to print out

What did I see?

_____

_____

_____

Where did I go?
You could write down the continent, country or coordinates

_____

_____

_____
